I either certify that my animal has been vaccinated within one year prior to this date or waive my right to protect my animal by having it vaccinated, or request recommended vaccinations at the time of surgery. I understand that it takes up to two weeks for vaccinations to protect my animal.

I understand the inherent risks of failing to maintain current vaccinations and waive all claims arising out of or connected with the performance of this operation due to such failure.

I understand that if my animal is pregnant, the pregnancy will be terminated at surgery.

I understand that if my animal has an open umbilical hernia, it will be repaired at time of surgery at an additional charge of \$40.

I understand that if my animal has ticks, there is a \$25 charge, or has fleas, there will be a Capstar flea treatment administered for \$10.

I hereby release SPOT USA, Inc. and all SPOT USA, Inc. veterinarians, assistants, volunteers, directors, and employees from any and all claims arising out of or connected with the performance of this procedure or any adverse reactions from vaccinations. I agree that I have not and will not claim any right of compensation from them, or any of them, or file action by reason of such sterilization or attempted sterilization of such animal or any consequences related thereto. Owner/ agent hereby agrees to indemnify and hold SPOT USA, Inc. harmless for any damages caused during the transportation of the animal, or for any damages caused by any unforeseeable events including fire, vandalism, burglary, extreme weather, natural disasters or acts of God.
